Welcome to the EUKI Community – EUKI in a Nutshell

Participants: This format is targeted at EUKI project implementers and partners selected in the fourth EUKI Call for project ideas or recently chosen in the BMU call for tenders. In addition, BMU representative and the EUKI Secretariat will participate.

What's it all about? This online kick-off-event shall give new members of the EUKI Community the opportunity to get to know each other, present their new EUKI projects and to learn more on what it means to be part of the EUKI Community. In addition, the event will provide a chance to meet other project representatives of new EUKI projects working in similar fields, to connect and to explore synergies. Furthermore, it will also give the EUKI Secretariat a chance to understand what your expectations are and how we can assist you.

Time, Place: 20 January 2021, 09:30-12:00 CET, via MS Teams

Agenda

09:30-09:40	Welcome of all participants Stefan Bundscherer, Director of the European Climate Initiative (EUKI)
09:40-09:50	Opening speech: Strengthening the Climate Action Community in Europe Sarah Heft, Policy Officer - EU Climate Policy, German Federal Ministry for the Environment, Nature Conservation and Nuclear Safety (BMU)
09:50-11:10	Project Pitches: Introduction of all new EUKI Projects EUKI project implementers Each project representative provides two ppt slides, the first with a picture of their EUKI project team, and the second with a picture which describes their EUKI project. The project implementer of each new project briefly introduces the project team and the new EUKI project. Finish your presentation with the sentence: "Our main project goal is..." or similar. Each pitch will last up to 90 seconds, please keep the time in mind, as after exactly 90 seconds, it will be the next project's turn to present.
11:10-11:20	Introducing the EUKI Secretariat Ulrike Leis, Senior Advisor for Energy and Climate Policy (EUKI) Short presentation of EUKI Secretariat departments and its team.
11:20-11:30	EUKI Public Relations: Spread the news about your project Oliver-Andre Hölcke, Advisor for Public Relations (EUKI) In this session you will learn what our EUKI PR department has to offer and how to use it to spread the news about your EUKI project, its outcomes and impacts.
